

**Arab Republic of Egypt
Ministry of Environment**

**Waste Management Regulatory Agency (WMRA)
National Waste to Energy Committee**

**SPECIFIC ANNOUNCEMENT NOTICE
REQUEST FOR EXPRESSION OF INTERESTS (EoIs)
FOR
WASTE TO ENERGY PROJECTS**

1. Within the framework of implementation of National Strategy of Integrated Solid Waste Management in Egypt, which has been approved in May 2019, The Egyptian Government is promoting investment opportunities in the field of Waste to Energy "W2E".
2. In the context, a Prime Minister Decree #41/2019 has been issued with a Feed-in Tariffs (FiT) mechanism for promotion of Waste to Energy projects of:
 - Municipal Solid Waste (MSW)
 - Sludge of Waste Water Treatment Plants-WWTPs
 - The biogas discharged from the sanitary landfills.
3. A National Waste to Energy Committee has been formed by a ministerial decree of H.E Minister of Environment and includes members/representatives from all competent ministries with a main mandate to facilitate the investment opportunities in the field of "Waste to Energy".
4. The Committee has issued two main documents: "Executive Guidelines for Investment in W2E" and "Prequalification Documents" which are published and announced at the Ministry of Environment's website at <http://www.eeaa.gov.eg>, and will be published in the daily newspapers.
5. Firms/ Investors/ Service Providers are invited to submit their Expression of Interests (EoIs) in hard/and or soft copy to the Operational Unit for Development Assistance (OUDA) www.ouda.org.eg not later than one month of this date.
